ORDERING INFORMATION

Minor Rubber Co. manufactures and stocks standard and custom design grommets and grommet type insulators. Many sizes of the standard style grommets are considered "Standard Stock Items" in one or more Mil-Spec or other service engineered compound. Our normal inventory level is approximately one million pieces (aggregate count). Due to the vast number of different sizes, styles, and compounds produced, we do not guarantee availability from stock for any or all of the items listed in our catalog. Please check with our sales department for current inventory position or production status. All MS-35489 Series Grommets are standard stock items. However, we do not guarantee all sizes to be in stock at all times. All standard stock items are subject to our standard minimum billing charge of \$75.00 (net) for single items, \$50.00 per item (net) for two or more items. Price on application for larger quantities. All grommets are available SPLIT, at extra cost. Splitting surcharge will be quoted upon request.

CONDITIONS OF SALE

Prices are subject to change without notice. Unshipped portion of order may be cancelled by customer within five days after notification of price increase subject to the following exceptions:

1. Any portion of your order in process of manufacture or manufactured but not shipped may be shipped at our option and invoiced at the price it was accepted.
2. Any component part or special material procured by Minor Rubber Co. for use on your order, either already delivered to us or non-cancellable by us, will be shipped and invoiced at the price quoted or at our cost if price has not been quoted.

Orders for custom manufactured items are subject to variations in quantity of plus or minus 10% unless specified otherwise, prior to the acceptance of the order.

CUSTOMER'S RESPONSIBILITY

The data shown in this catalog, to the best of our knowledge, is accurate. However, this data is subject to change, correction, or deletion at any time, without notification. It will be the customer's responsibility to test materials specified to assure satisfactory performance for purpose intended, and to inspect all merchandise promptly on its receipt. All claims to be made within ten (10) days of receipt of merchandise. Claims for shipments received in damaged condition or for losses in transit should be made directly to the transportation company.

CERTIFICATIONS

Our standard "Certification of Compliance" will be furnished on request, at no additional cost. Certified test reports and/or certificate of analysis are available on special order. The costs for this service will be quoted upon request. Certified test reports and/or certificate of analysis **MUST BE ORDERED IN CONJUNCTION WITH THE MATERIAL ORDER.**
